### *IN THE WORKS*

In an effort to build membership, attract younger members, and work towards the PACE Award, we are teaming up with the University of Delaware to lay the framework for a mentoring program with the College of Engineering. If you are interested in being a mentor, please email Andrew Prosser at [aprosser@artesianwater.com](mailto:aprosser@artesianwater.com). The program would likely kick-off in the Fall of 2016.

### *ASCE AND APWA BASKETBALL SOCIAL ON FEBRUARY 18TH*

On February 18th, ASCE and APWA are teaming up to host a basketball social. The event will start with a happy hour social from 5:30 to 6:30 p.m. at T.G.I. Friday's. This event has been advertised to all of the senior Civil and Environmental Engineering students at the University of Delaware as an excellent networking opportunity for them. It is also a great opportunity for members to network with prospective employees that are the graduating class of seniors. After the social hour at T.G.I. Friday's the U of D men's basketball team will play the College of Charleston with tip-off at 7:00 p.m. Cost is \$10 per adult which includes appetizers at T.G.I. Friday's and a ticket to the basketball game. If you are interested in attending, please RSVP via email to [deasce.rsvp@gmail.com](mailto:deasce.rsvp@gmail.com) by February 15, 2016. We hope to see you there!

**See page 2 for more details!**

### *University of Delaware CEE Co-Op Program*

University of Delaware's College of Civil and Environmental Engineering has recently started a formal Co-Op Program, and applications from employers are now open for the June-December 2016 Co-Op Cycle. Students work full time in the summer before their senior year and then part time during the fall semester. For all employers who join the co-op there is a co-op program networking night that gives employers a chance to meet students interested in the co-op program face to face, instead of just posting a position online. Applications are due by February 16th. If this is something your company is interested contact Andrew Prosser at [aprosser@artesianwater.com](mailto:aprosser@artesianwater.com).

PRESENTS ITS:

# BASKETBALL SOCIAL

**DATE: Thursday, February 18th**

**PLACE: T.G.I. Fridays Bar Area (Social)  
Bob Carpenter Center (Game)**

**TIME: 5:30PM - Social (T.G.I.Friday's)  
7:00PM - Basketball Game  
(Bob Carpenter Center)**

VS.

**COST: \$10 per Adult or \$5 per child/UD student  
(cost includes light appetizers and game ticket)**

The Delaware Sections of The American Society of Civil Engineers (ASCE) and American Public Works Association (APWA) invite you to join us for our 3rd Annual Basketball Social. The social will be held at the T.G.I.Friday's across from the arena (at the corner of Rt. 896 and Rt. 4) in Newark, Delaware. The social will start at 5:30 pm and will include light appetizers and cash bar. At 7:00 pm, the University of Delaware Men's Basketball team will be playing the College of Charleston at the Bob Carpenter Center.

The cost for the Event will be \$10 per adult and \$5 per child/UD student (child under 18 years of age). Money will be collected at the event.

If you are interested in attending, please RSVP via email to [deasce.rsvp@gmail.com](mailto:deasce.rsvp@gmail.com). Please make your reservations by **February 15, 2016**. We hope to see you there.
